So I'm Told

Lee Dewyze

Hey
Why don't do what anybody else would?
Go about it the familiar way
A one-way ticket to LA
And people keep on saying
That I belong in California
But I'm fine here
I don't think that I could fly
Maybe a train or I'll just drive
I like it here
The sky is blue and the air is clear

And people keep on saying
That I belong in California
But I'm fine here
Don't listen to what they say
Cause you could go about it
Mmm your own way
And people keep on saying
That I belong in California
But I'm fine here
I'm fine here
