They say for every boy and girl

There's just one love in this whole world

And I know I've found mine

The heavenly touch of your embrace

Tells me no one could take your place

Ever in my heart

Young love (young love), first love (first love)

Filled with true devotion

Young love (young love), our love (our love)

We share with deep emotionJust one kiss from your sweet lips

Will tell me that your love is real

And I can feel that it's true

We will vow to one another

There will never be another

Love for you or for me

Young love (young love), first love (first love)

Filled with true devotion

Young love (young love), our love (first love)

We share with deep emotionTranscribed by Robin Hood
