Put It On The Altar

Jessica Reedy

Hey, let me hear you say, ooh, ooh, oh, oh
Let me hear you say, Ooh, ooh, oh, oh,It's been a real hard couple of the months, you had enough, uh huh
But it's been hard for everyone, you're not alone, uh huh
You've been hurting way too long, let it go and just move on
Make your way down to the altar, hand it over and leave it there
It's gonna be alright, it's gonna be alright
It's gonna be alright, it's gonna be alright
It's gonna be alright, it's gonna be alrightSee everything that you've been worried about, put it on the altar
You need Him to work it out, He'll work it out yeah, put it on the altar
All of your burdens just bring them on down, yeah, put it on the altar
You're gonna get an answer to your prayer,
If you put it on the altarI know you need of healing, you sick of being sick, you need relief
You tired of the pressure, yeah
You got a distress and you need some peace
Come on and get your breakthrough, break through
Or haven't you been suffering long enough?
Make your way down to the altar, hand it over, leave it there
It's gonna be alright, it's gonna be alright
It's gonna be alright, it's gonna be alright
It's gonna be alright, it's gonna be alrightSo everything that you've been worried about, put it on the altar
You need Him to work it out, He'll work it out yeah, put it on the altar
All of your burdens ... just bring 'em on down, hey, put it on the altar
You're gonna get an answer to your prayer,
If you put it on the altar
Oh, yes you get an answer
Answer from the Lord
Oh, yes you get an answer
Answer from the Lord
So you need to put it on, put it on, put it on, put it on the altar
So you need to put it on, put it on, put it on, put it on the altar
Ooh, prayer changes things, see I know it's got to pray
So take it to the lord and
Prayer changes things
Ask him anything you want
Prayer changes thingsListen, you been worried and crying
Crying and worrying
But you're not alone, you're not alone
You have a friend in Jesus, and he know all about it
See everything that you've been worried about, put it on the altar

You need Him to work it out, He'll work it out
put it on the altar
All of your burdens just bring 'em on down, hey, put it on the altar
You're gonna get an answer to your prayer,
If you put it on the altar
It's gonna be alright, it's gonna be alright
It's gonna be alright, it's gonna be alright
It's gonna be alright, it's gonna be alright
So you need to put it on, put it on, put it on, put it on the altar
So you need to put it on, put it on, put it on, put it on the altar.
