As I Dream

Aashna Nanda

spend your time with me as i dream.
hold me close baby, as we sleep.
donâ€™t let me know iâ€™m only imagining.
let me believe this world is real
shit, i wish this world was real.

iâ€™ve never felt this way before,
never been so mad in love.
never held so much admiration for anyone.
baby, you got everything i need,
i wish i had everything youâ€™d need.

oh i, oh i, i love
oh i, oh i, i love
oh i, oh i, i love you

oh i love playing board games.
and beating you, at really everything.
well maybe i cheated, oops who knows (who knows?)
just dance i kicked your ass for sure.
shit, i wish this world was real.
one where you felt,
how i feel.

never felt this way before,
never been so mad in love.
never held so much admiration for anyone.
baby, you got everything i need,
i wish i had everything youâ€™d need.

oh i, oh i, i love
oh i, oh i, i love
oh i, oh i, i love you

i wonder if you feel the same,
when you hold me close and whisper my name.
you say â€œi love youâ€•, and i say â€œi love you moreâ€•.
deep down i know i will always love you more.
deep down i know you wonâ€™t love me,

how

how i, how i, how i
how i, how i, i love
how i, how i, i love you.

spend your time with me as i dream.
hold me close baby, as we sleep.
donâ€™t let me know iâ€™m only imagining.
let me believe this world is real.
