Hey you, see me, pictures crazy  
All the world I've seen before me passing by  
I've got nothing, to gain, to lose  
All the world I've seen before me passing by You don't care about how I feel  
I don't feel it anymore  
You don't care about how I feel  
I don't feel it anymore You don't care about how I feel  
I don't feel it anymore  
You don't care about how I feel  
I don't feel it anymore, anymore Hey you, are me, not so pretty  
All the world I've seen before me passing by  
Silent my voice, I've got no choice  
All the world I've seen before me passing by You don't care about how I feel  
I don't feel it anymore  
You don't care about how I feel  
I don't feel it anymore You don't care about how I feel  
I don't feel it anymore  
You don't care about how I feel  
I don't feel it anymore I don't see, anymore  
I don't hear, anymore  
I don't speak, anymore  
I don't feel Hey you, see me, pictures crazy  
All the world I've seen before me passing by  
I've got nothing, to gain, to lose  
All the world I've seen before me passing by You don't care about how I feel  
I don't feel it anymore  
You don't care about how I feel  
I don't feel it anymore You don't care about how I feel  
I don't feel it anymore  
You don't care about how I feel  
I don't feel it anymore I don't sleep, anymore  
I don't eat, anymore  
I don't live, anymore  
I don't feel
