

Illuminate

Orbital

Paint the world anew
Find a way to open all the joy in order to
Illuminate the strain
Fireworks in the blue
beyond the burstin' endless shine
Show me where the real light is Buildin' a wall inside
Wall round my heart
Buildin' a wall inside
Yeah Paint the world anew
Find a way to open all the joy in order to
alleviate the strain
Fireworks in the blue
beyond the burstin' endless shine
Show me where the real light is Buildin' a wall inside
Wall round my heart
Buildin' a wall inside
Yeah
