

# Jukebox Junkie

[Ken Mellons](#)

(Chorus)

I'm just an ole' jukebox junkie  
Spendin' my time, spendin' my money  
Feedin' this habit with hardcore country  
I'm just an ole' jukebox junkie  
I can't stand to hear the music stop  
I keep droppin' my quarters in the slot  
I play every song from A to Z  
I'm just an ole' jukebox junkie Some are dancin' fools, some are hooked on booze  
Some get their fix on an ole' bar stool  
A handful of quarters is all I need  
It don't take much to satisfy me (Repeat chorus) I lose control, I can't say no  
I play 'em fast and I play 'em slow  
I like the sound that a jukebox makes  
It's an ole' habit that I can't break (Repeat chorus) I'm just an ole' jukebox junkie  
Spendin' my time, spendin' my money  
Feedin' this habit with hardcore country  
I'm just an ole' jukebox junkie  
I'm just an ole' jukebox junkie
