Say What You Mean

Lunachicks

I not so I don
I can so I won
I could but I shouldn
But I can so I wouldnI might but I can
Ie got so I don
I would but I shouldn
But I not so sure I couldnSay what you mean
Mean what you say
Don say it mean
Say what you say what you say what you mean!I can go on like this
I didn understand a word you said
You didn mean to not to
But you did 'cause you couldn
But you woulde if you coulde
And you might but you wouldnSay what you mean
Mean what you say
Don say it mean
Say what you say what you say what you mean!For today will soon be yesterday
Tomorrow will be today
And I waiting every day
For you to...Say what you mean
Mean what you say
Don say it mean
Say what you say what you say what you mean!Will you say what you mean?
Will you mean what you say?You try to tell me but I don quite understand
What you think how you feel where you stand
You open up your mouth and then you start to quit
Why don you just come out and say it!?!Say what you mean
Mean what you say
Don say it mean
Say what you say what you say what you mean!
