

Fantasy Friend Forever

The Asteroids Galaxy Tour

Yeah, I like it a lot
'Cause it feels like the real thing.
No, I'll give it out
'Cause it feels like the real thing!
One hell of a drive, and it feels like the real thing
Like some drama
Yeah, it feels like a real good thing! I'll be your fantasy friends forever
I'll be your fantasy friends forever
We can stay in the sky together
I'll be your fantasy friend forever, forever!
Oh, oh, oh, oh Don't you do it just fine
When it feels like a good thing?
Don't you leave it undone
When it feels like a good thing?
Yeah, I like it a lot,
'Cause it feels like a good thing
Yeah, I might never run
And it feels like a real god thing! I'll be your fantasy friends forever
I'll be your fantasy friends forever
We can stay in the sky together
I'll be your fantasy friend forever, forever!
Oh, oh, oh, oh You can save my soul
You can save my soul
You can save my soul
You can save my soul
You can save my soul
Oh, oh, oh, oh I'll be your fantasy friends forever
I'll be your fantasy friends forever
We can stay in the sky together
I'll be your fantasy friend forever, forever!
Oh, oh, oh, oh
