Have It All

Jeremy Kay

Some days I feel like crying
It don't matter if it's rain or shine
I feel like my heart was broken
At least a million times

Some days I wake up dreaming
Feels like I've never even woke
I answer life's big questions
As if it's one big joke

Maybe it's too soon to be sure
But I really do believe that someday
We're gonna have it all
So I try to hard to keep the rhythm of a train
Rolling right along
When the ride gets rough you got to carry on
Carry on

Some days I feel like singing
I sit back and just groove the day away
Maybe pick up a guitar
And play what I want to play

Maybe it's too soon to be sure
But I really do believe that someday
We're gonna have it all
So I try to hard to keep the rhythm of a train
Rolling right along
When the ride gets rough you got to carry on
Carry on

Today I feel like laughing
Seems to be no reason at all
And if the world stops spinning
I'm not afraid to fall

Maybe it's too soon to be sure
But I really do believe that someday
We're gonna have it all
So I try to hard to keep the rhythm of a train

Rolling right along
When the ride gets rough you got to carry on

Maybe it's too soon to be sure
But I really do believe that someday
We're gonna have it all
So I try to hard to keep the rhythm of a train
Rolling right along
When the ride gets rough you got to carry on
Carry on
