

Young Love

The Outfield

Young love, bigger than anything
You're waitin' for a girl to ring
Talkin' 'bout young love
And I don't want anyone else to call your name
And I don't think anyone else could feel the same
I can't stop thinkin' about
The way she's holding it out
Talkin' 'bout young love
Young love, bigger than everything
Shines like a diamond ring
Talkin' 'bout young love
And I don't think anyone else could understand
And I don't want anyone else to be your man
I can't stop thinkin' about
The way she's [Incomprehensible] it out
Talkin' 'bout young love
And I don't want anyone else to call your name
And I don't think anyone else could feel the same
Young love, bigger than everything
Waitin' for the bells to ring
Talkin' 'bout young love
Na na na na

Na na na na na
Young love
Na na na na
Na na na na na
Young love
Na na na na
Na na na na na
Young love
Na na na na
Na na na na na
Young love
Young love
Young love
Na na na na
Na na na na na
Young love

Na na na na
Na na na na na
Young love
Na na na na
Na na na na na
