

I've Done Everything For You

Sammy Hagar

Hey Well, this one way love affair, it ain't fair
It ain't no kind of fair to me
It's all give and take, and you just take
And I can't take it, you see And I'm givin' up on love this time
Me and my friends, we'll do just fine because I've done everything for you
You've done nothin' for me
I've done everything for you
But baby, you've done nothin' for me
She's done nothin' for me Well you need some pay, a whole lotta money
And be a millionaire
Yeah, but when that didn't happen overnight
I found out how much you really care Yeah, all you want, is a whole lotta money
All the rest, is just 'jivin' honey I've done everything for you
Aw, you've done nothin' for me
I've done everything for you
Everything, but nothin' for me
You, you've done nothin' for me Wait a minute, when I first met you
You didn't know how to hook a man, ya done nothin'
There was so many things
About makin' love you didn't understand, ya done nothin' Ya but now you know, about everything
And I'll take you on a pair of wings I've done everything for you
Aw baby, you've done nothin' for me
I've done everything for you
I've done everything for you, you've done nothing for me Now I'm going out on the town tonight
And get as wild as I can be
I'm gonna find out what it's really like
To be loose, high and free Yeah, I don't care what people say
I'll change my mind, it's gonna change this day I've done everything for you
Just one thing, something, anything
I've done everything for you
Nothin', you, you've done nothin' for me
You've done nothin' for me Hey you've done nothin', you've done nothin'
You've done nothin' for me
Nothin' zero
