SHE`S MY MAN

Sigue Sigue Sputnik

Yeah, she talks like a woman, but she shakes like a man
She gets more rhythm sexual feeling from a mutant than a man
'Cause she's my man

She's got the prettiest face, the wittiest mind
The prettiest gargoyle ever find
Oh, she's my man catch her if you can
She's my man
She's my man
Yes, she's my man

"Hi, I'm your man"
"I'm your pet so make love"

I wanna desperate loving made me blind, I'm in love
She's my oriental lover, now she's two of a kind
And she shot me from the body with her lipstick mind
Oh, he's my man catch her if you can
She's my man
Yes, she's my man

She's unlike no other creature, she's a killer in disguise
She's just starred in my x feature movie thrilling all the guys
Oh, he's my man catch her if you can

She's explosive neon highs, she's a freaked out freak android
She's a pleasure seeking leisure, boy, you're in, not out, good bye
Oh, she's my man, catch her if you can
She's my
Yes, she's my man, catch her if you can

Like no other creature
She's my man
A killer in disguise
She's my man

Catch her if you can

Oh, she's my man
Yeah, she's my man

Yeah, she's my man
Oh, she's my man
Yeah, she's my man

Oh, she's my
Oh, she's my
Oh, she's, she's my man
She's my
Oh, she's my
She's my man

Catch her if you can

She's my

She's my man!
She's my man!
She's my man!
