

Don't Leave Me Tonight

The Willis Clan

Donâ€™t leave me
Donâ€™t leave me tonight

Like a child I was terrified
When you turned to say goodbye
I didnâ€™t know if you would clarify - identify
Tell me why you need to go

I want you / I need you
I canâ€™t help it though I try
I want you / I need you
Canâ€™t keep it all inside

Donâ€™t leave me tonight
Donâ€™t turn off the light
Iâ€™m losing the fight
Donâ€™t leave me
Donâ€™t leave me - tonight

If I was wrong I apologize
I just thought that you would stay
Moving on we can compromise - Iâ€™ll improvise
You donâ€™t have to go away

I hold you / I keep you
Every moment all the time
I hold you / I keep you
Let me make you mine

Donâ€™t leave me / donâ€™t lose me / donâ€™t let it go
Donâ€™t leave me / donâ€™t lose me / donâ€™t ever let me go -
I know you / I want you / I need you / donâ€™t let it go
I want you / I need you / donâ€™t ever let me go -
