

The Aspect

MxPx

every now and then i get
time alone so my
solitude gives me time to
roam through my ideals i
excogitate how i see the
world and how it sees me
sentence me all alone i
won't be on my own
take me as i am in
support of a populist
implicate yourself those
who are impious i'm
disassociated for more
than just one reason
don't discount my
feelings for the truth
