

# The House of Wolves

## Bring Me the Horizon

Show me a sign, show me a reason to give  
A solitary fuck about your god damn beliefs  
I'm going blind, but one thing's clear  
Death is the only salvation you'll fear  
Brick by brick by brick  
Brick by brick by brick  
What you call faith, I call a sorry excuse  
Cloak and daggers murder the truth  
The bitter taste, there's nothing else  
I'll bow for your king when he shows himself  
Brick by brick by brick  
These walls begin to cave in  
The house of wolves you built  
Is burning a thousand times  
Show me your face, show me a reason to think,  
My soul can be saved if I sell you my sins  
I'm going blind, but one thing's clear  
Death is the only salvation for me  
Brick by brick by brick  
These walls begin to cave in  
The house of wolves you built  
Is burning a thousand times  
(The wolves you built) (the wolves you built)  
(The nest of wolves you built)  
The house of wolves you built  
Will burn just like a thousand suns  
And when you die, the only kingdom you'll see  
Is 2 foot wide and 6 foot deep  
And when you die, the only kingdom you'll see  
Is two foot wide and six foot deep  
And when you die, the only kingdom you'll see  
Is two foot wide and six foot deep  
Brick by brick by brick  
Brick by brick by brick  
Brick by brick by brick  
These walls begin to cave in  
The house of wolves you built  
Is burning a thousand times  
Brick by brick by brick  
These walls begin to cave in  
The house of wolves you built  
Will burn just like a thousand suns  
You said you want me  
Now I'm here, now I'm here, now I'm here  
You said you want me  
Now I'm here, now I'm here, now I'm here
