deepest cut.

Get Scared

Ah shit

As my sky turns from autumn to ash
I hate you more and more each day
As my mind grows angry by the hour
My circumstances look so gray

Please don't forgive me
I can't forgive myself
The knife is planted in my back

I'm the deepest cut
I'm the deepest wound
I'm the deepest lie you ever told
I'm the hardest part
I'm the blackest heart
I'm the darkest night that's way too cold
I'm leaving
I'm leaving now
I'm leaving
I'm the one that's always leaving you
(always leaving you)

Like drilling holes deeper in my teeth
I fake the smile on my face (I'm leaving)
Constantly shoving your fingers down my throat
You know the best ways to bring the worst outta me

Please don't forgive me
I can't forgive myself
The knife is planted in my back

I'm the deepest cut
I'm the deepest wound
I'm the deepest lie you ever told
I'm the hardest part
I'm the blackest heart
I'm the darkest night that's way too cold
I'm leaving
I'm leaving now

I'm leaving
I'm the one that's always leaving you

You
Leaving
Leaving
Leaving
Leaving you

I'm the deepest cut
I'm the deepest wound
I'm the deepest lie you ever told
I'm the hardest part
I'm the blackest heart
I'm the darkest night that's way too cold
I'm leaving
I'm leaving now
I'm leaving
I'm the one that's always leaving you
Always leaving you
Always leaving
