

# I Can't Take It (2010 Remaster)

## Badfinger

Just give me five so I can step outside  
Or even give me three and I'll be satisfied  
But if you give me none at all  
You're gonna see me climb that wall  
And you know you're gonna see me fall  
I can't take it Take all the nights that a man can give  
And make all the days so a man can live  
But if you take up every hour  
You're gonna take up all my power  
And you know you're gonna turn me sour  
I can't take it, no I can't take it, wooh  
I can't take it anymore  
I can't take it, wooh  
Place a lock upon my door Give me all your money in your dark, brown vase  
You've even got my soul in your dark, brown case  
But baby, can't you see outside?  
You know you've got my fingers tied  
And you know you're gonna hurt my pride  
I can't take it, no I can't take it, wooh  
I can't take it anymore  
I can't take it, wooh  
Place a lock upon my door I can't take it, wooh  
I can't take it anymore  
I can't take it, wooh  
Place a lock upon my door I can't take it, wooh  
I can't take it anymore  
I can't take it, wooh  
Place a lock upon my door I can't take it, wooh  
I can't take it anymore  
I can't take it, wooh  
Place a lock upon my door I can't take it, wooh  
I can't take it
