

A Little Piece Of Heaven

A7X @ LBC

Before the story begins, is it such a sin
For me to take what's mine until the end of time?
We were more than friends before the story ends
And I will take what's mine, create what God would never design
Our love had been so strong for far too long
I was weak with fear that something would go wrong
Before the possibilities came true I took all possibility from you
Almost laughed myself to tears, conjuring her deepest fears
Must have stabbed her fifty fucking times
I can't believe it
Ripped her heart out right before her eyes
Eyes over easy, eat it, eat it, eat it
She was never this good in bed even when she was sleeping
Now she's just so perfect, I've never been quite so fucking deep in
It goes on and on, and on, I can keep you looking young
And preserved forever with a fountain to spray on your youth whenever
?Cause I really always knew that my little crime
Would be cold that's why I got a heater for your thighs
And I know, I know it's not your time but bye, bye
And a word to the wise when the fire dies
You think it's over but it's just begun, baby don't cry
You had my heart, at least for the most part
?Cause everybody's gotta die sometime
We fell apart, let's make a new start
?Cause everybody's gotta die sometime, but baby, don't cry
Now possibilities I'd never considered
Are occurring the likes of which I'd never heard
Now an angry soul comes back from beyond the grave
To repossess a body with which I'd misbehaved
Smiling right from ear to ear
Almost laughed herself to tears
Must have stabbed him fifty fucking times
I can't believe it
Ripped his heart out right before his eyes
Eyes over easy, eat it, eat it, eat it
Now that it's done, I realize the error of my ways
I must venture back to apologize
From somewhere far beyond the grave
I gotta make up for what I've done

?Cause I was all up in a piece of heaven
While you burned in hell, no peace forever
?Cause I really always knew that my little crime
Would be cold that's why I got a heater for your thighs
And I know, I know it's not your time but bye, bye
And a word to the wise when the fire dies
You think it's over but it's just begun but baby, don't cry
You had my heart at least for the most part
?Cause everybody's gotta die sometime
We fell apart, let's make a new start
?Cause everybody's gotta die sometime, but baby, don't cry
I will suffer for so long
(What will you do, not long enough?)
To make it up to you
(I pray to God that you do)
I'll do whatever you want me to do
(Well then I'll break you unchained)
And if it's not enough
(If it's not enough, if it's not enough)
If it's not enough
(Not enough)
Try again
(Try again)
And again
(And again)
Over and over again
We're coming back, coming back
We'll live forever, live forever
Let's have a wedding, have a wedding
Let's start the killing, start the killing
?Cause I really always knew that my little crime
Would be cold that's why I got a heater for your thighs
And I know, I know it's not your time but bye, bye
And a word to the wise when the fire dies
You think it's over but it's just begun but baby, don't cry
You had my heart at least for the most part
?Cause everybody's gotta die sometime
We fell apart, let's make a new start
?Cause everybody's gotta die sometime, but baby, don't cry
