Madness

The Rasmus

Too much, too fast maybe.
I don't know where my destiny's taking me.
I'll go where ever it leads me.
Too high, too low baby.
I want know where my destiny's taking me.
So I'll go to make you believe me.

Cry, cry when there's something to cry about.
Cry, cry baby, don't drown in the sadness.

It's madness.
Don't ask me to explain. Don't take away the pain.
It's impossible to save me.
So come on!

Too cheap, too scary.
Too creepy to marry.
Too serious and too mysterious and way to, way too deep.
Cry, cry when there's something to cry about.
Cry, cry baby, don't drown in the sadness.

It's madness.
Don't ask me to explain. Don't take away the pain.
It's impossible to save me.
It's madness.
So easy to complain. Nobody left to blame.
It's impossible to save me.

Crack in the shield. It feels so unreal.
No one to blame for loosing the flame.
Crack in the shield, lost in the fields of sadness.

It's madness...

It's madness.
Don't ask me to explain. Don't take away the pain.
It's impossible to save me.
Save me from madness
Oh its madness
Know that its madness

Wake up its madness
So come on!
