Halloween

Siouxsie and the Banshees

The night is still and the frost it bites my face
I wear my silence like a mask and murmur like a ghost
Trick or treat, trick or treat, the bitter and the sweet
Trick or treat, trick or treat, the bitter and the sweetThe carefree days are distant now I wear my memories like a shroud
I try to speak but words collapse, echoing, echoing
Trick or treat, trick or treat, the bitter and the sweet
Trick or treat, trick or treat, the bitter and the sweetI wander though your sadness
Gazing at you with scorpion eyes
Halloween, Halloween
Oh, oh, oh, oh, ohA sweet reminder in the ice-blue nursery
Of a childish murder of hidden luster and she cries
Trick or treat, trick or treat, the bitter and the sweet
Trick or treat, trick or treat, the bitter and the sweetI wander through your sadness
Gazing at you with scorpion eyes
Halloween, Halloween
Halloween, Halloween
Oh, oh, oh, oh, oh
