Shadow to Fall

The Damned

Shadowed by life well you never can tell
Fall down a hole and you burn in hell
Striptease yourself against the wall
And watch the shadows begin to fall
Shadows, shadows
Shadows begin to fall
Crazy, crazy dancing fire
Think of those days that took you higher
Look at yourself through a telescope
Drowned by life well there's always hope
And shadows, shadows
Shadows begin to fall
I don't need those shadows
I don't need those shadows
To fall
I don't need those shadows
I don't need those shadows
To fall
I don't need those shadows
Shadowed by life well you never can tell
Fall down a hole and you burn in hell
Striptease yourself against the wall
And watch the shadows begin to fall
Shadows, shadows
Shadows begin to fall
Crazy, crazy dancing fire
Think of those days that took you higher
Look at yourself through a telescope
Drowned by life well there's always hope
And shadows, shadows
Shadows begin to fall
I don't need those shadows
I don't need those shadows
To fall
I don't need those shadows
I don't need those shadows
To fall
