

I'm Good, I'm Gone (Black Kids Remix)

Lykke Li

Working in the corner
Peeking over shoulders
Waiting for my time to come
Working in the corner
One day to the other
Butter for my piece of bunWorking in the corner
Peeking over shoulders
Waiting for my time to come
Working in the corner
One day to the other
Butter for my piece of bunStepping, I'm stomping, I'm all gone
Give me the tone and I'm all gone
Yeah, I'm walking by the line
Not here, but in my mindI'm working, I sweat but it's all good
I'm breaking my back but it's all good
'Cause I know I'll get it back
Yeah, I know your hands will clap
Yet, I'm looking, yet, I'm working
To make butter for my piece of bunAnd if you say, I'm not okay, we must go
If you say there ain't no way that I could know
If you say I aim too high from down below
Well, say you're not 'cause when I'm gone
You'll be calling but I won't be at the phoneAnd you hanging around 'til it's all done
You can't keep me back once I had some
No wasting time to get it right
And you will see what I'm aboutGood, I'm working, I sweat, but it's all good
I'm breaking my back but it's all good
'Cause I know I'll get it back
Yeah, I know your hands will clapAnd if you say I'm not okay, we must go
If you say there ain't no way that I could know
If you say, I aim too high from down below
Well, say you're not 'cause when I'm gone
You'll be calling but I won't be at the phoneWorking in the corner
Peeking over shoulders
Waiting for my time to comeAnd if you say I'm not okay, we must go
If you say there ain't no way that I could know
If you say I aim too high from down below
Well, say you're not 'cause when I'm gone
You'll be calling but I won't beIf you say I'm not okay, we must go

If you say there ain't no way that I could know
If you say I aim too high from down below
Well, say you're not 'cause when I'm gone
You'll be calling but I won't be at the phone
