Electric Mistress

Monkey3

Why do I feel this way?
Why do I feel this way?
When you're dancing in a trance
Your love tonight I'd takeTrying to get through to you
Baby, you're red alert
I want you more and more
I want you so much it hurtsYou seem so disconnective
But when I turn you on, you're so effective
Pretty Polly's my electric mistress
When she's fakin' like a maniac, she's my aphrodisiacBaby, I can't pretend
Baby, I can't pretend
There's a maniac and it's you
You're a slave to every grooveThere's something in your eyes
You're not free to say
What am I gonna do
You keep me on a stringYou seem so disconnective
But when I turn you on, you're so effective
Pretty Polly's my electric mistress
When she's freakin' like a maniac, she's my aphrodisiacWhy do I feel this way?
Why do I feel this way?
Why do I feel this way?
Why do I feel this way?
When you're dancing in a trance
How your love tonight, I'd take
