

# Electric Mistress

## Monkey3

Why do I feel this way?  
Why do I feel this way?  
When you're dancing in a trance  
Your love tonight I'd take Trying to get through to you  
Baby, you're red alert  
I want you more and more  
I want you so much it hurts You seem so disconnective  
But when I turn you on, you're so effective  
Pretty Polly's my electric mistress  
When she's fakin' like a maniac, she's my aphrodisiac Baby, I can't pretend  
Baby, I can't pretend  
There's a maniac and it's you  
You're a slave to every groove There's something in your eyes  
You're not free to say  
What am I gonna do  
You keep me on a string You seem so disconnective  
But when I turn you on, you're so effective  
Pretty Polly's my electric mistress  
When she's freakin' like a maniac, she's my aphrodisiac Why do I feel this way?  
Why do I feel this way?  
Why do I feel this way?  
Why do I feel this way?  
When you're dancing in a trance  
How your love tonight, I'd take
