

Walked in Line

Joy Division

All dressed in uniforms, so fine
They drank and killed to pass the time
Wearing the shame of all their crimes
With measured steps, they walked in line They walked in line
They walked in line
They walked in line They carried pictures of their wives
Their numbered tags to prove their lives
And made it through the whole machine
With dirty hearts and hands washed clean They walked in line
They walked in line
They walked in line Full of a glory, never seen
They made it through, the whole machine
To never question anymore
Hypnotic trance, they never saw They walked in line
They walked in line
They walked in line They walked in line
They walked in line
They walked in line Walked in line
Walked in line
