

Run Free

Si Cranstoun

Whoooooa-oh I said that I'm runnin'
I'm runnin' free
On a track that will lead me to the valley of identity I said that I'm runnin'
Lord, I got to free my soul
I'm runnin' with a burnin' spirit that I can't control I said that I'm runnin' (runnin', runnin')
My two legs are gonna push on through
They're gonna pound away the ground
And let the old winds wash my face (Yeah!) I will be comin' (comin', comin')
Runnin' on, like I was born to do
And every step I'm gonna take will get me further from these chains (from these chains) Whoa-oh, 'cause I'm
runnin' (aaah)
I'm runnin' free (runnin' free)
On a track that will lead me to the valley of identity I said that I'm runnin'
Lord, I got to free my soul (Lord, I'm gonna free my soul)
I'm runnin' with a burnin' spirit that I can't control Whoa-oh, 'cos I'm runnin' (aaah)
I'm runnin' free (runnin' free)
On a track that will lead me to the valley of identity I said that I'm runnin'
Lord, I got to free my soul (Lord, I'm gonna free my soul)
I'm runnin' with a burnin' spirit that I can't control Could it be something I believed from a long time ago?
Could it be a little something deep inside has got me movin' on? (Oh yeah) 'Cause I'm runnin' (runnin', runnin')
I could feel a heart that's beatin' fast
It's gonna thump, it's gonna bump
A lot of cool air through my face (yeah) (aaah) I will be comin' (comin', comin')
Runnin' on with everything I've got
Because my steps are gonna break away the burden from these chains (from these chains) Whoa-oh, 'cause I'm
runnin' (aaah)
I'm runnin' free (runnin' free)
On a track that will lead me to the valley of identity Lord knows that I'm runnin'
Oh, I got to free my soul (Lord, I'm gonna free my soul)
Oh, I'm runnin' with a burnin' spirit that I can't control
I'm runnin' with a burnin' spirit that I can't control
I got to keep runnin' and runnin'
I got to keep on runnin' on, yes I have
I got to keep on runnin'
Lord knows, I got to keep on runnin' now
I'm runnin' with a burnin' spirit that I can't control
