Rock the House

Gorillaz

I know you like that

You wanna try that

It's like a flashback

So shake your ass crack

I got the balls to

Rock the salsa

Funk the bluesa

Any groove to

Make you move 'cos

Taking you to

Another landscape

Is my mandate

I'm highly animated even though I'm decomposing

So if your feet is frozen I'm a die to see you ropin'And when the MC rhyme and the DJ spin

I want y'all to just get down

Now while the MC rhymin' and the DJ cuttin'

I want y'all to just get down

And when the MC rhyme and the DJ spin

I want y'all to just get down

Now while the MC rhymin' and the DJ cuttin'

I want y'all to just get downTap your toes and clap your hands

(How many people ready to rock the house?)

Come on trace the globe and shake your pants

(How many people ready to rock the house?)

Just twist your hip and do the dip

(How many people ready to rock the house?)

Come on shake and bake do whatever it takes

(How many people ready to rock the house?) Gravitational pull

I'll have you making a fool

Out of yourself on the dance floor

Doing back spins, running man, and more

Party down with Vigga and Candor

Coming to the jam

Or look like a landlubber

And do the aqua boogie

Win lots of goodies maybe

Pop a Gucci wallet turntables is talking to me

It's awfully groovy

Seeing all the treasure and the bootyAnd when the MC rhyme and the DJ spin

I want y'all to just get down

Now while the MC rhymin' and the DJ cuttin'

I want y'all to just get down

And when the MC rhyme and the DJ spin

I want y'all to just get down

Now while the MC rhymin' and the DJ cuttin'

I want y'all to just get downTap your toes and clap your hands

(How many people ready to rock the house?)

Come on trace the globe and shake your pants

(How many people ready to rock the house?)

Just twist your hip and do the dip

(How many people ready to rock the house?)

Come on shake and bake do whatever it takes

(How many people ready to rock the house?) I wanna get down lower than Atlantis

Going toe to toe with an enchantress

Get funkier than funkadelic wearin' pampers

While you eggheads is on the wall preparin' answers

Sharing transcripts while we over here

Dipping and dancin'

Rhythm romancin'

Wallflowers

Giving no act you no

All hours we chillin' and maxin', so

Relaxing

Opposites attracting

I'm a toss my hat in

Floss when the track spin

Like I'm on a crack binge

Jigging and wiggling

Freakin' booties speakin' to the cuties so belligerent

No religion just bump the feed on

You'll feel reborn

Negativity we just dead it like dcon

Better lift your feet and just measure the beat on

The pulse when it respawns Tap your toes and clap your hands

(How many people ready to rock the house?)

Come on trace the globe and shake your pants

(How many people ready to rock the house?)

Just twist your hip and do the dip

(How many people ready to rock the house?)

Come on shake and bake do whatever it takes

(How many people ready to rock the house?)
