

# Talk Like That (Dave Spoon Televised Mix)

## The Presets

My, how you've grown  
I think I'll call you on the telephone  
And tell you all the things that I've been missing Turn out the lights  
Where we're going we don't need 'em tonight  
We're at your daddy's home but he's not listening You make me crazy when you  
Talk like that  
I might go crazy when you  
Talk like that You know I love it when you  
Talk like that  
And girl I'm crazy when you  
Talk like that  
You make me crazy when you Our time has come  
Start of the race and we're ready to run  
We're on a roll tonight and you won't fight it Don't like to see  
Sitting [?]  
They ought to try sometime they might just like it Talk like that  
I might go crazy when you  
Talk like that A little creepy when you  
Talk like that  
Girl I love it when you  
Talk like that  
You make me crazy when you You make me crazy when you  
Talk like that  
I might go crazy when you  
Talk like that A little scary when you  
Talk like that  
But kid I love it when you  
Talk like that  
You make me crazy when you
