I Can't Let You Go

Matchbox 20

I'll stick around and see how bad it gets
I'll settle down and deal with old regrets
You know I, I adore you
I can't let you go, can't let you go
You're part of my soul
You're all that I know, I can't let you go
Is it better now, do you feel like all is fair?
Oh, can we work it out, so it's easier for me to bear?
Because life, it can blind you
I can't let you go, can't let you go
You're part of my soul
You're all that I know, I can't let you go
Down from the edge, I could see you, where we end

And I'd give up all my days to go back
There was all this wonder and all this magic
Has all this wonder over and done?
If love were a whisper
What could I give you to speak?
Maybe you're out of my reach
I can't let you go, I can't let you go
You're part of my soul
You're all that I know
I can't let you go, I can't let you go
You're part of my soul
You're all that I know
