Don't Let Go (love)

En Vogue

What's it gonna be 'cause I can't pretend?
Don't you wanna be more than friends?
Hold me tight and don't let go, don't let go
Do you have the right to lose control? Don't let go
I often tell myself that we could be more than just friends
I know you think that if we move to soon it would all end
I live in misery when you're not around
And I won't be satisfied till we're taking those vows
There'll be some lovemaking, heartbreaking, soul shaking
Oh, lovemaking, heartbreaking, soul shaking
What's it gonna be 'cause I can't pretend?
Don't you wanna be more than friends?
Hold me tight and don't let go, don't let go
Have the right to lose control, don't let go
I often fantasize the stars above are watching you
They know my heart and speak to yours like only lovers do
If I could wear your clothes
I'd pretend I was you and lose control
There'll be some lovemaking, heartbreaking, soul shaking
Oh lovemaking, heartbreaking, soul shaking

What's it gonna be 'cause I can't pretend?
Don't you wanna be more than friends?
Hold me tight and don't let go, don't let go
Have the right to lose control, don't let go
Running in and out my life has got me so confused
You gotta make the sacrifice, somebody's got to choose
We can make it if we try, for the sake of you and I
Together we can make it right
What's it gonna be 'cause I can't pretend?
Don't you wanna be more than friends?
Hold me tight and don't let go, don't let go
Have the right to lose control, don't let go
Don't let go
Don't let go 'cause I can't pretend
What's it gonna be 'cause I can't pretend
Don't you wanna be more than friends?
Hold me tight and don't let go, don't let go
Have the right to lose control, don't let go

What's it gonna be?
What's it gonna be?
Hold me tight and don't let go
