

Destruction of the Disgusting Ugly Hate

Soko

Scars on my heart
Can't you see
What have you done to me
Scars on my arms, can't you see
Where I am sinking Destruction of the disgusting ugly hate
Destruction of the disgusting ugly hate
Destruction of the disgusting ugly hate I got a tattoo on my heart
Your name is written in black
You have tattoos everywhere
But my name is not there
Destruction of the disgusting ugly hate
Destruction of the disgusting ugly hate
Destruction of the disgusting ugly hate I got tears on my cheeks
Rolling faster than a rocket-ship
You stare at me
You do nothing
Now burning-man please wake up and burn me Destruction of the disgusting ugly hate
Destruction of the disgusting ugly hate
Destruction of the disgusting ugly hate
And now you're leaving
But can't you see
What have you done to me?
You're leaving me but can't you see
Where I am sinking Destruction of the disgusting ugly hate
Destruction of the disgusting ugly hate
Destruction of the disgusting ugly hate
