## Natalie Portman's Shaved Head

i like it when you say you've got a gun in your back  
thats so hot thats so hot  
i like it when you say you're gonna kill JT  
turns me on turns me on

gets me off gets me off  
i like it when you say you'll go gay for ben  
thats so bomb thats so bomb

do you like my ponytail
