

After The Love (Dave Curtis Radio Edit)

R.I.O.

After the love shined down on me
All you beautiful people love and you rise, me say
Oh yeah Beautiful people come down on, right Me see the sunrise, I wanna get down down down
The tide is rising high, all the way
No raindrop in the sky, no reason to run run run
Watch all these spirits fly, sees the day Be one generation, join the love foundation
We'll make it all the way to a brighter day now
Feel the desperation every human nation
All around the world go feel it After the love shined down on me
I see the beautiful sunlight rising above the world
What me say now After the love shined down on me
All ya beautiful people love and you rise, me say
Oh yeah Me see the sunrise, I wanna get down down down
