

# She Is a Maniac

## SEXYDEATH

Just a still town girl on a saturday night,lookin' for the fight of her life  
In the real-time world no one sees her at all,they all say she's crazy

Locking rhythms to the best of her heart,changing woman into life  
She has danced into the danger zone,when a dancer becomes a dance

If can cut you like a knife,if the gift becomes the fire  
On a wire between will and what will be

She's a maniac, maniac on the floor  
And she's dancing like she's never danced before  
She's a maniac, maniac on the floor  
And she's dancing like she's never danced before

On the ice-build iron sanity is a place most never see  
It's a hard warm of mystery,touch it,but can't hold it  
You work all your life for that moment in time,it couls come or pass you by  
It's a push of the world,but there's always a chance  
If the hunger stays the night

There's a cold connective heat,struggling,streching for defeat  
Never stopping with her head against the wind

She's a maniac, maniac on the floor  
And she's dancing like she's never danced before  
She's a maniac, maniac on the floor  
And she's dancing like she's never danced before

{SOLO}

If can cut you like a knife,if the gift becomes the fire  
On a wire between will and what will be

She's a maniac,maniac I'm sure now  
And she's dancing like she's never dance before  
{repaets out}
