

Yeah Man

Black Stone Cherry

Yeah, Yeah Man Yeah, Yeah Man Gonna get us a bottle of wine,
An' head outa on the hills
I said we take a little trip through time,
That will make us feel so fine,
Muddy water gonna lead the parade,
Gonna make everybody say, Yeah, Yeah Man Yeah, Yeah Man Well the boogeyman's here tonight,
I said a boogeyman you feelin' right,
Now you know we ain't gonna force a fight,
Gonna party till the broad daylight,
When the drums and the guitars play,
Gonna make all the pretty girls say, Yeah, Yeah Man Yeah, Yeah Man Mmm, check it out-Solo-Yeah, Yeah
Man Yeah, Yeah Man A wait a minute now, Yeah Man
