

# 2Am

## Room 94

Black and nothing, painted lies  
No more colour in my tainted mind.  
I keep letting go, but I forgot the reason.  
I keep letting go I gotta stop you leaving.  
You're all I want tonight,  
You're all I want tonight.It's 2am, I'm standing outside in the dark  
With the moon beside me.  
It's 2am, and I don't know why  
I've got this feeling inside me.  
Where do we go, we'll never know  
If you don't pick up the phone,  
It's 2am, and I'm a little lost  
Turn on the lights you'll find me.Cracked picture hanging on the wall,  
Try to find you but I might fall  
I keep letting go but I forgot the reason  
I keep letting go I gotta stop you leaving!Just turn on the lights you'll find me!  
Just turn on the lights.
