Middle Fingers Up

Attila

Alright motherfucker listen up
This is for the fucking homies steady givin' no fucks
If you wanna join the party put your middle fingers up
And when the music fuckin' hits you better jump! jump! Jump!

Ignorance is this, we don't fuck with pussy haters
Put your money where your mouth is
Or you can suck my dick you fuckin' traitor
This is my shit, we're on top of the world
And if you want to you can join us as the journey unfolds

Get up, let the music consume your soul And say
Fuck it, when you're fucking here nothing fuckin matters
Give no fucks! That's the motto
We are only here to take over this whole planet

Fuck the world
Rape this earth of every single thing it's got
If you really want it you should
Take it all
Grab hold of everything that you want
And tell the haters suck my fucking cock, hell yeah

Listen up, you can do anything you want In life
Just don't be a fucking bitch!

Put your middle fingers up
Break it down
This isn't the time to let anyone hold you back
Fuck the world
And let your actions do the talking for you
Eliminate the bullshit from your life
You've got to let ignorance be on your side
