

I Love You Because

[Al Martino](#)

I love you because you understand, dear
Every single thing I try to do
You're always there to lend a helping hand, dear
I love you most of all because you're you No matter what the world may say about me
I know your love will always see me through
I love you for the way you never doubt me
But, most of all I love you because you're you I love you because the future's brighter
The door to happiness shall open wide No matter what the world may say about me
I know your love will always see me through
I love you for a hundred thousand reasons
But, most of all I love you because you're you
