

Forget You in LA

Poema

I don't know how
I'm supposed to hate you
Cause I forget
How you did me wrong
When you're around
I don't think I can avoid you
Still I tell friends that I've moved on
So maybe I'll try out the East Coast
I can be there in a day
Or maybe I'll try out the West Coast
And I'll forget you in LA...Keep coming up
In conversations
Showing up
I see you at the same shows
3 am
Diner, coffee and ash trays
Holding on to habits
I gotta let go
So maybe I'll try out the East Coast
I can be there in a day
Or maybe I'll try out the West Coast
And I'll forget you in LA...I'm only dreaming
Of leaving
Wasting time over thinking
Running is easy
Believe me
It doesn't feel like you need me
Do you want to keep me
If I tried out the East Coast
Just need to get away
Or maybe I'll try out the West Coast
And I'll forget you in LA...
