

Piece Of My Heart

Pentatonix

Didn't I make you feel like you were the only man?
Didn't I give you everything that a woman possibly can?
Lord, but with all the love I give you it ain't never enough
Well, I'm gonna show you baby, that a woman can be tough
So, come on, come on, come on, come on and
Break it, break another little piece of my heart now, baby
Take it, take another little piece of my heart now, honey
You can have it, have another little piece of my heart now, baby, yeah
You know you've got it if it makes you feel good
You're out on the street looking good
And you know, deep down in your heart that it ain't right
No, you never, never hear me when I cry at night
Though I tell myself that I can't stand my pain
But when you hold me in your arms, I say it again
So, come on, come on, come on, come on and
Break it, break another little piece of my heart now, baby
Take it, take another little piece of my heart now, honey
You can have it, have another little piece of my heart now, baby, yeah
You know you've got it if it makes you feel good
Break it, break another little piece of my heart now, baby
Take it, take another little piece of my heart now, honey
You can have it, have another little piece of my heart now, baby, yeah
You know you've got it if it makes you feel good
