If Not For Loving You

Lace

Couldn't see the colors of a southern sunrise
Didn't see the moonlight 'til shone in your eyes
You taught me to believe and gave me wings to flyIf not for loving you, I never would have known
How safe a heart can feel, how deep a love can go
If not for loving you, would've never had the chance
Of knowing what it is to open up and give
There's so much I'd have missed
If not for loving youWhen I think how easy it would have been
To let you go instead of letting you in
Baby, I'm so thankful you're in my lifeIf not for loving you, I never would have known
How safe a heart can feel, how deep a love can go
If not for loving you, would've never had the chance
Of knowing what it is to open up and give
There's so much I'd have missed
If not for loving youSeems like you've always been a part of me
I can't imagine how my life would be
If not for loving youIf not for loving you, would've never had the chance
Of knowing what it is to open up and give
There's so much I'd have missedIf not for loving you
If not for loving you
