

# Fire In Your New Shoes

## Kaskade feat. Dragonette

I like that outfit, the zipper's pinchin'  
But if you want it any tighter, we could cinch it  
    Dress up leather, wear every color  
I'm going Rococo with sequins in the summer  
    So come  
    Twirl your dresses around  
    Lift your cotton socks on  
And turn your cameras on now for the fun  
    While I light a fire in your new shoes  
    If you should smile, look so surprised  
    While I light a fire in your new shoes  
Look out that your soles don't burn to the floor  
    I light the fire  
    I light the fire  
    Buttons are busted, we're decorated  
We make an ornament with gold and silver plating  
    So what's the latest, we raise a fever  
    We're just all red inside, that's all to see here  
    Yeah, we're red inside, we're all red inside  
And the leg bone's connected to the one in the thigh  
    We are red inside, we're all red inside  
And the leg bone's connected to the one in the thigh  
    So come oh, oh, oh  
    Twirl your dresses around uh, uh, uh  
    Lift your cotton socks, sock, sock, sock, sock  
    Turn your cameras oh, oh, oh, oh, oh  
    While I light a fire in your new shoes  
    If you should smile, look so surprised  
    While I light a fire in your new shoes  
Look out that your soles don't burn to the floor  
    While I light a fire in your new shoes  
    If you should smile, look so surprised  
    While I light a fire in your new shoes  
Look out that your soles don't burn to the floor  
    While I light a fire  
    I light a fire
