## Redfoo

Ooh, the way that you pop, girl  
Makes me go cray, show me what you got, girl  
    You could be my new thang  
    Oh, the way that you move  
    Makes me go cray, pick it up now drop girl  
You could be my new thangGet saxy, girl, get saxy  
    Get saxy, girl, get saxy  
    Get saxy, girl, get saxyI heard it's yo birthday  
    Grab a drink if ya thirsty  
    I can see that ya need an OG  
    That can do ya the beast and the worst way
