

# Sooner or Later

## Musiq Soulchild

Uh, hey  
You say I'm not what you're looking for, huh, huh  
Like I'm just another nigga running game, uh  
Said you had your heart broken more than once before (more than once)  
So you ain't got no time for playing Yeah, I know (ah ah), but I ain't got nobody (ah ah)  
And you ain't got nobody (ah ah)  
And you say you're over and done with love but You just (yeah) need someone (someone) to love you  
Might not be today (might not) but I'm gon' find my way into your heart  
To show you just how much (how much) I want you  
I wanna get to know you (so I need you)  
I'ma need you to show me what is love (to show me)  
Sooner (sooner) or later (later) you've got to (yeah yeah)  
Let me be the one  
(I could be the one)  
I could be the one, girl  
Ey (ey)  
Do you even really know what you're looking for?  
(Wait a minute, hear me out)  
I'm saying you probably think all men are the same (yeah)  
And if so, how can you even tell us apart?  
If you got some of the good ones standing in your face  
And yet I know (I know, I know)  
You said you tried it (you tried), just got so tired  
Of finding of guys who just wanna hit and run You just (you just) need someone (someone) to love you (yeah)  
Might not be today (I'm gon' find the way) but I'm gon' find my way into your heart (into your heart)  
To show you just how much (how much) I want you (I want you)  
I wanna get to know you (show me where to start)  
I'ma need you to show me what is love  
(Cause) sooner (sooner) or later (later) you've got to  
Let me be the one  
I could be the one, girl  
Look, I know you do fine just all by yourself  
(Hope you change your mind)  
But I hope you change your mind (wont be lonely) sometimes  
And I wanna be the one you call  
Yes, everybody needs someone to love, ah yeah  
(Everybody needs someone)  
Everybody needs someone  
(I just wanna be)

I just wanna be yours You just (you just) need someone (need someone) to love you (yeah)  
Might not be today (I'm gon' find the way) but I'm gon' find my way into your heart (into your heart)  
To show you just how much I want you (I want you)  
I wanna get to know you  
I'ma need you to show me what is love  
(Cause) sooner (sooner) or later (later) you've got to  
Let me be the one  
I could be the one, girl  
Oh oh oh Just let me be the one  
Let me be the one  
Let me be the one, girl Oh, I could be the one, girl  
Just let me be the one, I could be the  
I could be the one, girl  
Oh I, I could be the one, girl  
Just let me be the one, I could be the  
I could be the one, girl
