Drive Home (Edit)

Steven Wilson

Cold windowpane
A car upturned in the rain
Wait on in vain
Don't try to bear the blame
Deal with the pain
Dust down your wings againYou need to clear away
All the jetsam in your brain
And face the truth
Well love can make amends
But while the darkness always ends
You're still alone
So drive homePause without end
A moment in time suspends
How could she leave?
Release all your guilt and breathe
Give up your pain
Hold up your head againYou need to clear away
All the jetsam in your brain
And face the truth
Well love can make amends
While the darkness always ends
You're still alone
So drive homeDrive home
Drive homeDrive home
Drive homeDrive home
Drive homeDrive home
Drive home
(Drive home)
