

# Love Train

## Wolfmother

What'd you see, girl on the love train?  
I said, what'd you see, girl on the love train, now?  
I said, I gotta get back, girl on the love train, oh  
I said, I gotta get back, girl on the love train, oh I saw different faces and different places  
I gotta get back, girl on the love train, oh  
I saw different faces and different places  
I gotta get back, girl on the love train, oh What'd you see, girl on the love train?  
I said different luck is with no name  
You're tellin' me all things are the same  
I said, I gotta get back, girl on the love train I saw different faces and different places  
I gotta get back, girl on the love train, oh I saw different faces and different places  
I gotta get back, girl on the love train, oh  
I saw different faces, different places  
I gotta get back, girl on the love train, oh Love, love, love, love, love, love, love, love, love, ow
