

# I Never Knew the Meaning of Christmas

\*NSYNC

Looking back on childhood days  
I can't believe my foolish ways  
I thought that Christmas only came from the store  
Had to know what was there for me  
Underneath the Christmas tree  
I didn't know that there could be so much more  
But in all of the rush  
I was missin' so much  
Girl, you made me finally see  
That I never knew the meaning of Christmas  
'Til you came into my life  
I was lost in the dark  
'Til you opened my heart  
Like an angel shining bright  
I wished on a star  
And girl, here you are  
Suddenly I realize  
That I never knew the meaning of Christmas  
'Til I looked into your eyes  
Comin' home for the holidays  
Seein' friends from around the way  
There was always something missing for me  
On a sleigh ride, caroling  
Didn't really mean anything  
Without that someone who can make it complete  
While the snow's falling down  
There was joy all around  
'Cause girl, your love has shown me the way  
That I never knew the meaning of Christmas  
'Til you came into my life  
I was lost in the dark  
'Til you opened my heart  
Like an angel shining bright  
I wished on a star  
And girl here you are  
Suddenly I realize  
That I never knew the meaning of Christmas  
'Til I looked into your eyes  
But in all of the rush  
I was missing so much  
Girl, you made me finally see  
That I never knew the meaning of Christmas  
'Til you came into my life  
I was lost in the dark  
'Til you opened my heart  
Like an angel shining bright  
I wished on a star  
And girl, here you are  
Suddenly I realize  
That I never knew the meaning of Christmas  
'Til I looked into your eyes  
That I never knew the meaning of Christmas

'Til I looked into your eyes
