

# Deep in the Night

**Abigail Washburn**

Deep in the night  
I hear the darkness  
Bones tell the body  
Rest in its armsI hear the calling  
Of life's sweet embrace  
Resting too soonDeep in the night  
I feel the stardust  
Blue tells the heavens  
Fall from the skyI feel the shadows  
Of time's own longing  
Falling awayDeep in the night  
I pray a candle  
To tell the snowfall  
Wait for sunriseI pray a halo  
Of man's cold morning  
Holds to the lightI pray a halo  
Of man's cold morning  
Holds through the night
