Remember You're Mine

Pat Boone

(Remember, remember you're mine)Be faithful, darlin'
While you're away
For when it's summer
A heart can strayAnd though I'll miss you
Have a wonderful time
But remember, darlin'
Remember you're mine
(Remember you're mine)If you go dancin'
And he holds you tight
(And he holds you tight)
And your lips are tempted
On a summer night
(On a summer night)Your heart beats faster
When the stars start to shine
Just remember, darlin'
Remember you're mine
(Remember you're mine)I'll be lonely
I'll be blue
But I promise
I'll be trueAnd though I'll miss you
Have a wonderful time
Just remember, darlin'
Remember you're mine
(Remember you're mine)
